Uroš Kopavnik, BA, career counsellor

# Agenda:

- Introduction, starting points and dilemmas (20 min.)
- group work (40 min)
- reports and discussion (20 min)

# Starting points and dilemmas:

- How far is the future?
- Are skills geographically dependent and how?
- Skills of today and tomorrow?
- Correlation of the skills and personality?

# Group work issues:

- At first, what is „my“ the definition of the skill/competence?
- What are the major skills of today?
- How did I develop / gain them (our experience)?
- What are the major skills of the future?
- Feel free to choose other issues of your choice...
